

# ROSE PETALS TOUCHING GROUND Pentecost Retreat

26th-30th May 2023

Hof Ruckardshausen - South Germany

Rosebud, what didst thou do all night?

With folded hands  
I was praying to heaven  
to open my heart.

*Sayings of Pir-o-Murshid Inayat Khan  
TANAS (The soul speaking with nature)*

# ROSE PETALS TOUCHING GROUND with Maitreya Jon Stevens (USA)

The teachings of Hazrat Inayat Khan and the Dances of Universal Peace inspired by Murshid S.A.M. are wonderful ways to open our hearts. Dance means one thing to one person and something else to another, a teaching is received differently by each heart. We each discover in our own way, what is important for our soul's unfolding.

Similarly, each teacher we have met and everyone we will meet in the future, conveys an experience, knowledge and atmosphere in a personal and unique way. Rose Petals Touching Ground is an opportunity for us to meet some teachers and experience some new ways that the gems of our Sufi path are shared.

## Our tools on the way:

teaching, dance, wazaif, breath,  
stories, silence, meditation...

*Maitreya is a joyful and inspired teacher and leader of the Dances of Universal Peace from whom a multitude of dances have flowed. He has put much time toward attunement with the natural world and meditative practices from many traditions, which are reflected in his daily life with family as well as his teaching practices in schools.*

*Maitreya is a mentor for the Dances of Universal Peace, a Guide in the Sufi Ruhaniat International, and is presently serving on the Board of Directors, the Ziraat council, and the Living Wisdom Council.*
